

Attention Parents of High School Youth!
Looking for employment for your child this summer?

Community Health And Neighborhood Growth Effort

Youth Employment Program

June 14 – August 20, Monday – Friday

Participants will be building community gardens in the neighborhood, working on a community clean up project, and attending tons of great workshops and trainings on: reproductive health, creative writing, financial literacy, civics, conflict mediation, and more!
Participants will earn over \$2,000 through the summer.

Applicants must be completing the 10th or 11th grade, must be residents of the 25th Ward, and must be 16 years of age or older by June 1, 2010.

Applications are due April 5th!
